

NATIONAL INSTITUTE FOR STORAGE TANK MANAGEMENT

The North Carolina State Storage Tank Conference

Sponsored by:

The Mott-Smith Consulting Group

NISTM

National Institute for Storage Tank Management

October 29, 2010

**The Speedway Club at
The Charlotte Motor Speedway
5555 Concord Pkwy South
Concord, NC 28027**

Agenda Topics:

- UST & AST Regulations
- Cathodic Protection
- Storage Tank Technologies and Management
- Remediation Alternatives
- SCR/DEF Industry
- Facilities Operations Management
- Much more!

At this conference, you and your company will learn about the best management practices for underground and aboveground storage tank systems. This educational forum provides an opportunity for government regulators, equipment manufacturers, engineers, consultants, and tank owners to share and discuss new technologies, state and federal regulations, storage tank system management as well as view vendor exhibits.

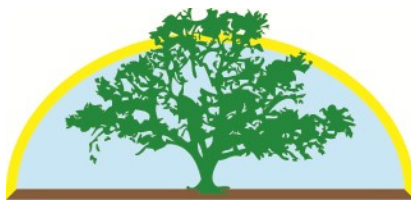

Presenters will discuss topics about underground and aboveground storage tank system management and regulations, compliance inspections, installation/closure requirements, cathodic protection, UST enforcement, petroleum clean-up, release detection and much more!

Conference Tuition: \$285 per person / call for group rates

- The Speedway Club at the Charlotte Motor Speedway can be reached at 704-455-3216

- Complimentary parking
- Available Wi-Fi
