

The National Institute for Storage Tank Management and The Wireless Energy Institute Co-Sponsor Florida's 1st

Tanks & Wireless Energy Technology Conference

May 28-29, 2009 — Tampa, FL

Hilton Tampa Airport Westshore Hotel

Who Should Attend? Tank, fleet and asset managers, financial decision makers, private industry, utility, military and government agency leaders.

Surrounded by "ECO" Economic & Ecological Challenges?

New government agency regulations... Fluctuating fuel prices... Confusion over GHG & Carbon Credits... Budget cutbacks & workforce reductions... Increased maintenance costs... Increased liability expenses... Wireless Energy Technology Investment **must** show a great ROI! Learn new options and unique opportunities.

May 28: The 19th Annual NISTM Florida Storage Tank State Conference

Government agency and NISTM experts help you analyze your Storage Tank situation. Learn about Florida Dept. of Environmental Protection enforcement and clean up issues. Operations and Management for Owners of Above ground Storage Tanks - How to comply with environmental rules and avoid discharges. Latest Advances in Cathodic Protection of Storage Tanks and Piping Systems Compliance and Enforcement from the District Perspective Basics of Site Assessment and Remediation 7C.E.U Credits from NISTM.

May 29: Wireless Energy Institute ECO Conference

Economic Challenges / Ecologically Friendly Solutions

Meet the industries top wireless energy "thought leaders." See new product demos, learn how investments in wireless energy technology can have a positive impact on your bottom line, increase efficiencies and earn valuable ECO credits. Lessons from "Early Adopters", "Home Grown" Bio Fuels, Enhancing Transit Safety & Security Wireless Communication Technologies, Reduce Fleet Expenses, Idling Time, Labor Costs, Insurance Risks. Track fixed and mobile assets anytime, anywhere, Compare Cellular, Satellite and MESH wireless technologies, Generating reports for mileage, asset management and potential tax rebates, Tracking driver performance and safety while reducing overtime expenses.

Going Green, Saving Green, Looking Brilliant!

Includes tuition, all course materials, refreshments, luncheon, C.E.U. Certificate
Return the registration form on back with your payment. We also accept credit cards

The Conferences

These conferences will be limited in size for maximum effectiveness, and registrations will be accepted in the order they are received. The National Institute for Storage Tank Management reserves the right to cancel any conference and refund all fees. A refund or the registration fee cannot be issued when a cancellation is made (postmarked) after two weeks prior to the conference date, or when a registrant fails to appear. In the event of cancellation, it is the registrant's responsibility to contact the Institute in writing. If you are unable to attend, you may send a substitute in your place at no charge.
